INDEX

SUBJECT

Abortion, and contraception, Denmark, 85
illegal, 40
induced, guidelines for the provision of care and services, 123
laws, 156
psychological sequelae, 33
Accidents, prevention in childhood and adolescence, 243–244
road traffic, Eastern Mediterranean, 492
Europe, 248
statistics, 363
Acupuncture, 39
use of, in modern health care, 294–301
Acute respiratory diseases, 200
antiviral drugs, 345
viruses, 95, 103, 106
Acute respiratory infections, global programme, 104–106
Western Pacific, 82, 105, 438
Adolescents, accident prevention, 243–244
health needs, Western Pacific, 192–193, 290–291
Advisory Committee on Biomedical Research, Eastern Mediterranean, 28–30
Advisory Committee on Medical Research, 39–40
Africa (AACMR), 479
Europe (EACMR), 162
Pan American Health Organization, 27, 484
Western Pacific, 439
Africa, Advisory Committee on Medical Research (AACMR), 479
Charter for Health Development, 477–479
general programme of work, seventh, 478, 481
Regional Committee 1980, 477–481
1981 and 1982, 481
Regional Director, annual report 1979, 478–479
reappointment, 94
technical discussions 1980, 480–481
1981 and 1982, 481
see also under acupuncture; acute respiratory infections; antimalaria strategy; blindness, prevention; cholera 1979; communicable diseases; disease prevention and control; drugs, essential; environmental health; family health; food and nutritional surveillance; guinea worm disease; health development; health education; health for all by the year 2000; health information; health manpower development; International Drinking-Water Supply and Sanitation Decade 1981–1990; International Year of the Child 1979; malaria control; maternal and child health; mental health; noncommunicable diseases; plague, human, 1979; poliomyelitis 1978; primary health care; prophylactic, diagnostic and therapeutic substances; research promotion and development; rheumatic heart disease; smallpox; smallpox eradication; solar heater; technical cooperation among developing countries; yellow fever 1978
AFRO Newsletter, 209
Air, monitoring data, analysing and interpreting, 321
pollution, glossary, 404
quality surveillance, 147–152
Algeria, epidemiological surveillance, 286
Alma-Ata, Declaration, 3, 80, 153, 186, 259, 436, 441, 456
